## What is Supported Independent Living (SIL)?

Supported Independent Living (SIL), is the name given by the NDIS for types of funded personal support to assist you with daily tasks so you can live as independently as possible, while building your skills.

## SIL at Assured Home Care – “a positive difference”

At Assured Home Care, we believe the environment in which people live is closely linked to their well-being, sense of security and feeling of being in control.

### Assured Home Care SIL services:

- can be accessed in shared accommodation or in single occupancy
- are available in one of our properties or your own
- can be provided 24 hours a day, 7 days a week
- are tailored to your specific support requirements according to your NDIS plan and
- includes specific person-centred recruitment to build a support team around you.

### Depending on your plan, supports can include but are not limited to:

- support with supervision, safety, and security
- assistance with personal care tasks
- assistance with capacity building tasks e.g. (cooking, cleaning, routine development, etc)
- working alongside your other formal supports e.g. physiotherapist, occupational therapist etc.
- medication management
- social and community access

### Benefits of using Assured Home Care as your SIL provider are:

- passionate, qualified staff with the knowledge
- experience to assist you to reach your goals.
- we provide different levels of support to suit your needs.
- personalised, reliable service centred on your specific needs and preferences and
- our holistic approach involving everyone important to you.

**We support you to be free to express your unique self.**
