NDIS Support Coordination and Specialist Support Coordination

MAY 2021

assuredhomecare.com.au

Locating and coordinating multiple service providers can be a daunting task.

Assured Home Care can support you to select, coordinate and manage all your disability services and providers.

We will assist you to:

- understand and implement your NDIS plan
- find and coordinate services on your behalf - identifying how, when & where you would like these services delivered
- identify service providers in your area that are most likely to meet your needs
- negotiate service terms with individual providers
- monitor service performance and manage any service issues
- navigate NDIS related matters including complex matters and
- prepare for plan reviews

Types of Support Coordination

Coordination of Supports

We will assist you to set up your services, continue to monitor and manage service progress against your stated goals, and step in where required to assist you to resolve any service issues.

Specialist Support Coordination

Our qualified practitioners can provide specialist advice and support to those individuals with high level or complex needs (this will be recognised and funded in the participant's NDIS Plan). We will assist you with any challenges or barriers you may experience and ensure that you are realising the full benefits of your Plan.

Support is available in person, by phone and/or the internet, depending on your preference

More than just coordination

Benefits of using an Assured Support Coordinator are:

- passionate, qualified staff with the knowledge and experience to assist you to reach your goals
- we can get you started straight away
- personalised reliable service centred on your specific needs and preferences and
- we are able to provide support and expertise to assist you to develop the skills that you need to manage your NDIS plan
